

A vibrant, low-angle photograph of Times Square in New York City. The sky is a deep blue with wispy white clouds. Tall buildings line the street, covered in numerous colorful billboards and advertisements. A prominent vertical sign on the left reads "TIMES SQUARE NYC". In the center, a tall building features a large digital display showing a panda. The street is filled with a diverse crowd of people, some wearing costumes like a cowboy and a person in a green suit. In the foreground, a recycling bin is visible with the text "NYC Green and Clean" and icons for recycling paper, bottles, and cans. Overlaid on the center of the image is the "Gio-Art PROMOTIONS" logo in a large, bold, red font. The "i" in "Gio" has a small star above it, and the "o" contains a play button icon. Below the main text is a thick white horizontal line.

Saks 5th Avenue Magazine Shoot

John Legend Performs at Bloomingdale's Holiday Windows Unveiling 2019

When the *pinnacle* of automotive
sports luxury wanted to celebrate it's
70th anniversary in **style...**

Ferrari turned to ***us.***

Gio-Art provided everything (*with the exception of the gorgeous cars*) to make this happen.

We literally rolled out the red carpet - and made a street-level showroom, that put the finest offerings
from the automaker's fabled history on full display.

From lighting, sound equipment, barricades, permits, security, street teams, wi-fi hotspots, down
to the actual red carpet, we made Ferrari's 70th birthday initiative, turn-key.

Ferrari

Ferrari finished first

and took its rightful place in the winner's circle with news outlets and enthusiasts alike.

Covered by The New York Times, USA Today, The Wall Street Journal, The Daily News, Esquire, WPIX, Fox News, NBC, CBS, ABC and affiliates, 1010 Wins, Men's Health, Motor Trend, Bloomberg, NY 1, and many others.

Ferrari Became the highest trending automotive brand on Instagram and Twitter during the week of the event.

- 39% increase in foot traffic - 2.5K+ email captures - 6K+ Tweets and re-tweets

When **Coke** decided to
bring its Open Happiness brand promise
to the streets...
they turned to **us.**

We developed and populated the city with Happiness Globes at the Avenue of Americas Street Fair, to serve as branded oases from the chaos of the Big Apple.

Once inside, visitors were treated to Coca-Cola products, Coke-themed art created by some of the city's hottest up and-coming artists, and chill vibes provided by popular NYC DJs. Not to mention wi-fi-enabled lounge areas complete with streaming television services where everyday New Yorkers could sit back, relax, and open a moment of happiness for themselves.

In other locations, additional booth configurations were created to mimic the appearance of Coca-Cola vending machines.

Inside, visitors were treated to smaller scale surprise-and-delight experiences that fulfilled the brand's ongoing promise.

During the time this initiative ran,

Coca-Cola became the
third-highest trending brand

across social media networks in
the New York metropolitan area.

- 2.5K+ organic Instagram posts
- 1.5K+ tweets and retweets
- 6K+ likes, shares and check-ins on Facebook

If you're a retailer in NYC during the holidays

you're either *Macy's* or you're

everybody else...

(even if you're technically part of the same company)

bloomingdale's

Bloomingdale's and **Gio-Art** changed that notion by Revealing their holiday windows with a spectacular performance by John Legend, that a few animatronic dolls couldn't possibly compete with right in front of their flagship location on 59th street.

We secured **all** necessary permits, **then built, set and dressed the stage.** We hired **and** trained the **street teams,** provided **and** operated the sound equipment and light projections, set up **wi-fi hotspots,** coordinated with the NYPD **to provide** security, **and helped our client partners** produce **the show - and made** a new holiday miracle happen on 59th street.

This initiative helped recapture
Bloomingdale's rightful place
as a go-to holiday shopping destination in NYC.

The ***Largest*** fast food chain in the world
needed to increase brand awareness and promote
its McCafé offerings as tasty, yet affordable
alternatives to the trendy coffeehouses and
Seattle-based chains that dominate NYC...

So they turned to ***us.***

Working with McDonald's, we capitalized on the café part of McCafé and opened fresco McCafé cafés across the city.

McCafé Cafés helped *grind down* the competition's grip on NYC coffee drinkers while brewing some fresh McCafé enthusiasts.
